I accept the terms and conditions

Customer Name

To whom it may concern.

With the code that in this case would be “**DESTINY & LUCIANO WEDDING**”, you can make your own reservation by telephone directly to the reservation center at the numbers mentioned in the agreement.

The stay opens two days before the wedding date and closes two days after it to have the opportunity to make the required reservations.

A credit card will be requested to guarantee (only to guarantee), the charge will not be made until the day of check in and everyone will pay with the method they wish.

As they are individual reservations, cancellations can be made up to 24 hours before, without charge.

Rates will not be applicable for occupancy of more than 60% of the hotel. Rooms are subject to availability, it is recommended that as soon as you confirm that the code is registered in our system you do not delay making your reservations due to high demand.

For preferential rates to apply, the required stay is a minimum of 2 nights and a minimum of 10 rooms reserved as well.

If you wish to include the buffet breakfast, please consider the cost of \$16 dls plus VAT per guest.
